

CHENILLE STAR

Size: 7"

- For best results, use fabric that looks the same on both sides.
- Do NOT prewash fabric.
- Cut (4) 8" x 12" fabric pieces.
- Stack fabric 4 layers thick.
- Sew every $\frac{1}{2}$ " (Stitch Length 3mm). Tip: Use the Sew Easy Guide as your $\frac{1}{2}$ " guide after marking and sewing line 1.

- Cut star pieces A and B (or other desired shape), cutting through all layers.
- Place star pieces on shirt, slightly tucking B under A.
- Sew through star pieces and shirt on previous stitching lines, backstitching or tying at edge of star to secure threads.
- Cut between stitching lines through all layers except shirt.
- Machine wash and dry to make chenille star "bloom".
