

# TEMPLATE for tracing a **FULL-LENGTH** INSTALLATION GUIDE

for the 6.25" Sew Easy Guide (Order your Sew Easy Guide [here](#).)

(This is an alternate place to trace a paper installation guide—see Installation Instructions, page 1, step 2)

Place paper guide on sticky note.  
Place SEG on paper guide.  
Wrap sticky note around guides.  
Lower unthreaded needle into dot on paper guide.  
Lower presser foot onto guide.  
Raise needle.  
Raise presser foot.  
Remove presser foot from machine,  
Firmly press guide to foot.  
Remove paper guide.  
(Save paper guide)  
Attach presser foot to machine.

Note:  
These steps are condensed installation instructions to use AFTER you are familiar with steps 2-9.
